ABOUT US

Pioneers in Syrup, Cosmetic & Nutraceutical Manufacturing

Cosmonutra Lifescience Pvt. Ltd. is a state-of-the-art manufacturer specializing in high-quality Syrups, Cosmetics, and Nutraceuticals. Equipped with GMP and ISO certified facilities, we offer comprehensive turnkey solutions from research and formulation to packaging and delivery. Our team of expert pharmacists, biochemists, and quality control professionals ensures that every product manufactured under our roof adheres to the highest global standards of safety and efficacy.

Our state-of-the-art machinery is managed under rigorous GMP certifications and ISO quality criteria, providing full traceability from raw materials to final packaging. We partner with brand owners, wholesalers, and private label retailers worldwide to bring wellness formulations to market with speed, security, and scientific integrity.
